- *Teach students photography principles, including camera operation, lighting, composition, digital editing, and darkroom techniques (if applicable).*
- *Introduce students to photo editing software such as Adobe Photoshop and Lightroom.*
- *Promote visual storytelling, creativity, and critical thinking through assignments and projects.*
- *Provide instruction in both technical skills and artistic development.*
- *Maintain and manage photography equipment and classroom materials.*
- *Organize and display student work in school exhibitions, competitions, and digital portfolios.*
- *Assess student performance and provide regular feedback and grades.*
- *Foster a safe, respectful, and inclusive learning environment.*
- *Stay current with trends and developments in photography and art education.*
- *Collaborate with other teachers and participate in departmental and school-wide activities.*

Experience:

- *Experience and/or work in photography, visual arts, art education, or a related field.*
- *The ideal candidate will have taught photography at the secondary level, or possess equivalent professional experience.*
- *Proficiency with DSLR cameras, lighting equipment, and image editing software.*
- *Strong classroom management skills and the ability to engage diverse learners.*
- *Excellent communication, organizational, and interpersonal skills.*

Preferred Skills:

- *Darkroom experience (if applicable).*
- *Knowledge of contemporary photography and art history.*
- *Experience with multimedia or video production is a plus.*
- *Passion for mentoring and encouraging student creativity and growth.*
